- Questions as to why there are no men's events similar to the Ladies Special Events?
Comments: Men's breakfast recently stopped due cost and decreasing attendance.
- Look into Prime Rib and Lobster night / Nancy will look into this Chef Chris.
- Look into Family night / Pricing for: Adult, teen, and younger children.

Earlier it had been recommended that we plan a Shag/Line Dance evening. Nancy will investigate this possibility, for the spring.

Comedy Night may also return in 2012.

The Employee Christmas /Holiday Fund title was discussed. The House Committee recommends that the official title be: PCC Member's Club Employee Christmas Fund.

It was suggested that with the renovation of the Member's Club that the decorators consider the dining room have the whole area in wood rather than carpet. This way you could use the hard wood floor for any size dance floor. It would be more versatile yet the noise factor should also be considered!

Meeting adjourned.

Next House Committee Meeting: Monday, February 13, 4:00pm.
